

Terry D. Ferguson, PSM
Owner/Manager

Experience

Mr. Ferguson's professional surveying and mapping career spans more than forty-nine (49) years of surveying from "the Keys to the Capital" working across the State of Florida, achieving all levels of field and office management, culminating in opening his own business in 2006. His survey experience includes many high profile federal, state, municipal and private projects such as international airports and US Air Force Bases, sports stadiums, infrastructure such as storm and sanitary sewer, water and waste water transmission lines, treatment plants, interstate highways and bridges, high-rise/commercial buildings and platted subdivisions.

Proficient in all aspects of construction layout/as-built surveys, boundary, topographic, and ALTA/NSPS Land Title Surveys. As Owner/Manager of FLS, Mr. Ferguson is responsible for contract administration and overall quality control in the production of surveying and mapping projects. Mr. Ferguson is committed to providing the highest quality of professional service to meet the clients' needs.
